### IMPORTANT AND TIME SENSITIVE INFORMATION

The Wyoming Department of Education (WDE) communicated on April 17, 2009 in [Memorandum No. 2008-069](#) ([http://www.k12.wy.us/A/supt\\_memos/2009\\_069.pdf](http://www.k12.wy.us/A/supt_memos/2009_069.pdf)) the development of a Request for Proposal (RFP) for a state-wide data analytic tool for reporting vital district data, including the Proficiency Assessment for Wyoming Students (PAWS) test results.

In efforts to create an RFP that meets the needs of Wyoming school districts and to support student achievement, the WDE is looking for district representation to be part of an RFP focus group. This focus group will assist WDE in the development of the RFP and may eventually participate in the review of RFP presentations.

If you are interested in being part of this very important and exciting process, or if you have any questions or concerns, please contact Cassie Lallak, Project Manager, at 307-777-5463 or [clalla@educ.state.wy.us](mailto:clalla@educ.state.wy.us).
